NOTICE TO ALL LICENSED GOLD BUYERS ON THE IMPLEMENTATION OF APPROVED PRICING THRESHOLD FOR THE PURCHASE OF GOLD

The Ghana Gold Board ("GoldBod") wishes to inform all licensed gold buyers that, following extensive stakeholder engagements and consultations with licensed buyers, an approved pricing threshold has been adopted for the purchase of gold effective 24th day of June 2026.

Accordingly, with immediate effect, all licensed gold buyers shall purchase gold from licensed miners and licensed gold traders at a price that does not exceed the following threshold:

The GoldBod Published Price at the time of the purchase + the approved rate-gap bonus for licensed miners (where applicable) + Up to GHS 30.00 from the allotted commission for tier 2 buyers due to the tier 2 buyer and at the discretion of the tier 2 buyer.

For emphasis, no tier 2 buyer is allowed to add more than GHS30 of their allotted commission to the price at which they buy or sell gold.

For the avoidance of doubt, no licensed gold buyer shall purchase gold at a price above the aggregate of the foregoing three (3) components.

All licensed gold buyers are hereby directed to comply strictly with this Notice.

The GoldBod wishes to remind all licensed buyers that failure to comply with the approved pricing threshold constitutes a breach of the terms and conditions governing their licence and shall amount to an offence under section 63 (1) (c) and (2) of the Ghana Gold Board Act, 2025 (Act 1140).

Any licensed gold buyer found to be purchasing gold in contravention of this Notice shall be subject to enforcement actions, including but not limited to:

1. Prosecution in accordance with law;
2. Suspension of licence; and/or
3. Revocation of licence.

The GoldBod counts on the cooperation of all licensed gold buyers to ensure the continued integrity, stability, and sustainability of Ghana's gold trading ecosystem.
